

Dear _____

Here's a greeting card, but please don't keep it!

Instead, join us in bringing holiday cheer to our community heroes! Sign this card with a small, personalized message and return it to us in the enclosed envelope. In turn, we'll deliver it to a resident at The Firefighter's Home, spreading joy and goodwill to those who need it most!

The truth of the matter is that the holiday season can be difficult for older adults living in care facilities. Whether it's because family lives far away, the icy weather poses mobility challenges, or because aging, in general, brings with it grief and loss, reigniting the holiday spirit isn't always easy.

That's why, at The Home, we do everything in our power to bring the holiday spirit to our residents. The smell of fresh cookies and gingerbread is in the air when our residents gather around the kitchen rolling dough, with cookie-cutters in their hands and a smile on their faces. Christmas trees are all around – decorated with garlands, lights, and ornaments, while family and friends stop by to join in on the holiday festivities.

At its heart, volunteer firefighting is about community, and The Firefighter's Home is no different. Without the help of our community, these holiday experiences wouldn't be possible.

With just a small amount of change, you can make a big change in the lives of our residents. Your gift will support our mission in providing quality care to our brothers and sisters who answered the call to protect our communities. Help us create the holiday memories they deserve. As the saying goes, "at Christmas, all roads lead home."

With warm wishes for a healthy and wonderful holiday season,
